**VETERINARY CERTIFICATE**

Horse: Smart Missile x Pauline De Lago '16  
Signalment: Bay yearling filly  
Brands: Left shoulder = Jockey cap over three conjoined diamonds  
Right shoulder = 149 over 6  
Microchip: 985100012112525  
Examined at: Arrowfield Stud, Barn U, Magic Millions Qld Complex, 2018

At the request of *Mr Scott Darby*, as agent for Darby Racing, a veterinary examination of the above horse was undertaken at the Magic Millions Complex, Bundall, Queensland on the 10<sup>th</sup> January, 2018. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Darby Racing.

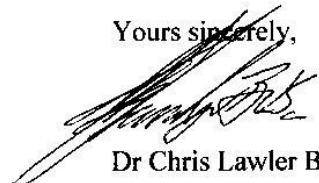

**Clinical Examination**

The clinical examination included heart, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The examination also included a review of the radiographs for the above horse provided in the repository. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia.

In my opinion, at this time, the Smart Missile x Pauline De Lago '16 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Smart Missile x Pauline De Lago '16 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above mentioned horse, the proposed syndication or Darby Racing and this letter may be relied upon by prospective investors who invest in the horse.

Yours sincerely,

Dr Chris Lawler BVSc

This certificate has been prepared for inclusion in the disclosure statement issued by the Syndicate and at the time of examination can be relied upon as a true document.
