**VETERINARY CERTIFICATE**

Horse: Star Witness x Solar Kitty '19

Signalment: Chestnut yearling colt

Brands: Left shoulder = JM over left pointing arrow  
Right shoulder = 24 over 9

Microchip: 985100012163370

Examined at: Barn M, Magic Millions, BUNDALL QLD 4217

At the request of *Mr Scott Darby*, as agent for Darby Racing, a veterinary examination of the above horse was undertaken at the Magic Millions Sales Complex, Bundall, Queensland on the 1<sup>st</sup> June, 2021. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Darby Racing.

**Clinical Examination**

The clinical examination included heart, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The examination also included an appraisal of the sales radiographs for the horse that were provided to the Repository. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia. There were two descended testicles palpable in the scrotum.

In my opinion, at this time, the Star Witness x Solar Kitty '19 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Star Witness x Solar Kitty '19 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above mentioned horse, the proposed syndication or Darby Racing and this letter may be relied upon by prospective investors who invest in the horse.

Yours sincerely,

**Dr Chris Lawler BVSc**
